

**Chatham Orthopaedic Associates has
partnered with Sharecare for your Medical
Record Needs!**

Sharecare is committed to providing the highest levels of Quality, Professionalism, Integrity, and Responsiveness.

To initiate your request, please complete each section of the Health Information form. This form will be delivered promptly to a Sharecare representative for processing. You may also submit requests using our Online Patient Request Form.

Please note there may be a fee associated with your medical records and/or radiology imaging request.

**For questions or status inquiries, Contact Sharecare
Customer Care
