

# Join Our Team as the Community Relations Director!

Chatham Orthopaedic Associates, a respected leader in orthopaedic care serving Savannah and its surrounding areas, is seeking a dynamic Community Relations Director to strengthen and expand our community outreach initiatives. With a dedicated team of fifteen physicians serving communities including Savannah, Richmond Hill, Pooler, Rincon, Springfield, Claxton, and Bluffton, we pride ourselves on our commitment to our patients and the communities we serve.

As the Community Relations Director, you will play a pivotal role in fostering and maintaining strong relationships with a variety of community organizations, including those in the medical, business, and educational sectors. Your expertise in community engagement will help us bolster our presence and enhance our ability to serve our patients and partners effectively.

The successful candidate will have five or more years of experience in community relations, preferably in the health care sector.

Key Responsibilities will include:

1. **Strategy Planning and Development:** Develop and implement a comprehensive community outreach strategy that aligns with the organization's mission and goals.
2. **Relationship Building:** Establish and maintain partnerships with local organizations, businesses, government agencies, schools, and community groups to enhance collaboration and support.
3. **Program Development:** Design and oversee community programs and initiatives that address local needs, promote health and wellness, and increase community engagement.
4. **Event Coordination:** Plan and coordinate community events, health fairs, workshops, and seminars to raise awareness of the organization's services and foster community participation.
5. **Communication:** Serve as a spokesperson for the organization in the community, effectively communicating the organization's mission, values, and programs to various audiences.
6. **Campaign Management:** Create and manage outreach campaigns to promote specific programs, services, or health

Salary commensurate with experience. Excellent benefits to include group health with vision and dental, long-term disability, and 401k plan.
